

## OVEN SERIAL NUMBER IDENTIFICATION

The serial number helps you to find the right spare parts catalogue.  
Serial number example: 07 11 40271.

Year	Month	Generation	Production number
07	11	4	0271

**07**1140271 **the first two digits** is the year, when the oven was build, in this case 2007; and the next two digits 07**11**40271 is the month 11 - November.

0711**4**0271 - The fifth digit is the definition of the oven generation.

2-3=VC I 4-5=VC II 6=VC II Smart Edition (Touch)

07114**0271** the rest digits is oven production number.

So for this serial number 071140271, you need to use VII catalogue for the right spare parts choice.

*For the earlier oven's generation (earlier than VC I), please follow these instructions:*
